Standard Features included in all our buildings

- 30 yr architectural shingles
- Tar paper layer under shingles
- Pressure-treated floor joists
- Diamond door plate
- Notched rafters with a double top plate
- Ventilation
- Built to meet local code requirements
- Free Tech Shield™ upgrade upon request. Tech Shield™ is an exterior panel with a reflective foil inner wall that will keep your building cooler in the summer.

We've gotten so many compliments on our "office" we are giving people your name! We can't say enough how fortunate we were to find you!

*Thank You!
The Ebersoles*

Your professional manners and skilled workmanship are to be admired. You are on our list of "Best of the Best" in building and delivery.

*Thank You
Mr. & Mrs. Piccioni*

ENDLESS CHOICES: Our finishing choices are nearly endless. We offer many different styles, materials and color choices.

HARDIEPLANK®

LOG

All sheds come with architectural 30-year shingles, tar paper and vented soffit

6" soffit on all A-frame and Quaker sheds to help keep water splash away from shed.
This gives our sheds a longer lasting rot resistance.

HASSLE-FREE SET-UP

Stone Pad

Our sheds are pre-assembled and delivered to your prepared site or assembled on site in difficult to access situations

Kits are shrink-wrapped for weather resistance and safer transporting.
